

THE PLACE TO BE THIS CHRISTMAS AND NEW YEAR

CHRISTMAS & NEW YEAR 2010...2011

Celebrate the Festive Season in real luxury at The Three Chimneys & The House Over-By, Isle of Skye. Relax and enjoy everything our legendary Restaurant with Rooms can provide, not least, a very warm welcome and friendly hospitality.

Before Christmas, get in the festive mood over our Spirit of Christmas weekend, or extend the celebrations with a Silver Star Break for 2 or 3 days before Hogmanay. See below for details.

All Christmas and New Year Celebration Packages include Dinner each evening at The Three Chimneys, famous for its outstanding food and great service, as well as an excellent wine list. The menus will vary and will include a wide range of seasonal dishes from our repertoire, including local beef, lamb and wild game, fresh fish and Skye seafood of all varieties. Our showcase Seven Courses of Skye Menu will also be available as an alternative for a small extra charge, except on Christmas Day and Hogmanay.

We are famous for all the finishing touches we provide to make your stay memorable, but at this time of year there are many more special extras included: Champagne and handmade Skye chocolates in your room upon arrival; a generous gift from the Christmas tree for everyone; Bucks Fizz Brunch with Kedgeree and Roast Ham on Christmas and New Year's Day; Christmas home baking in the afternoons; mulled wine and mince pies; welcome drinks in the Lounge each night; a stunning firework display over the loch outside the Restaurant on Hogmanay; the list is endless, the atmosphere is relaxed, unhurried and stress-free.
